OLD SPORT RE-CREATED

In the beginning God created the athlete and gave him his sweats. But the athlete was without headgear or kneepads. Therefore God created these and made a mat also. Then God said, "Let there be determination, sacrifice, and hustle...", and there was wrestling.

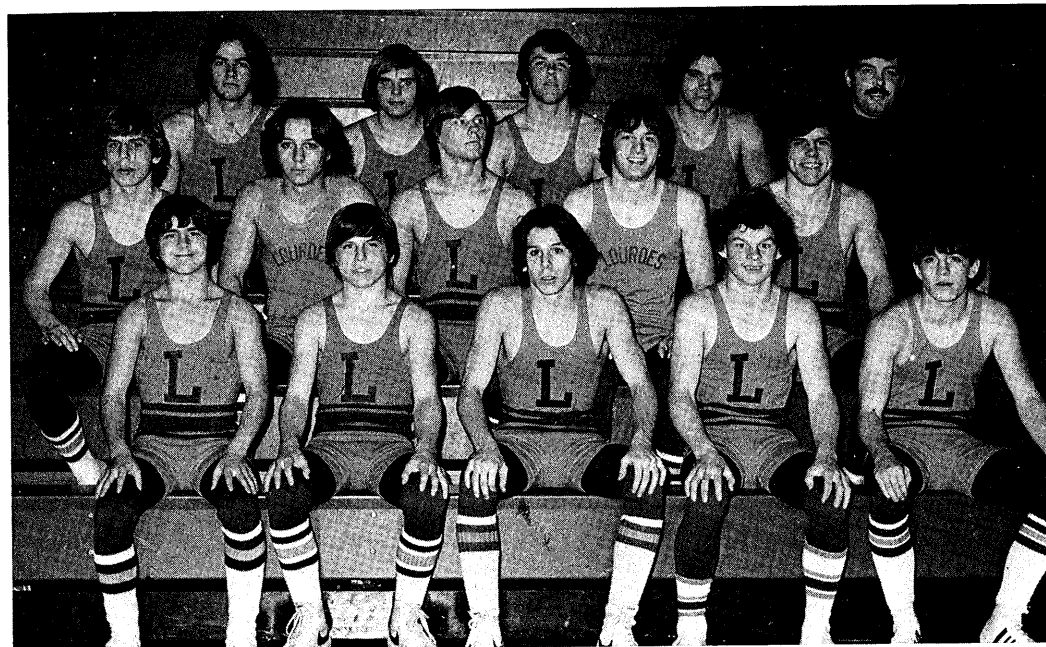

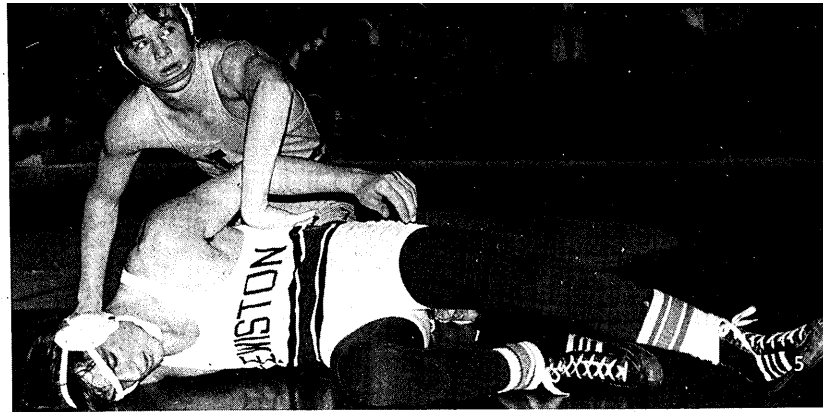

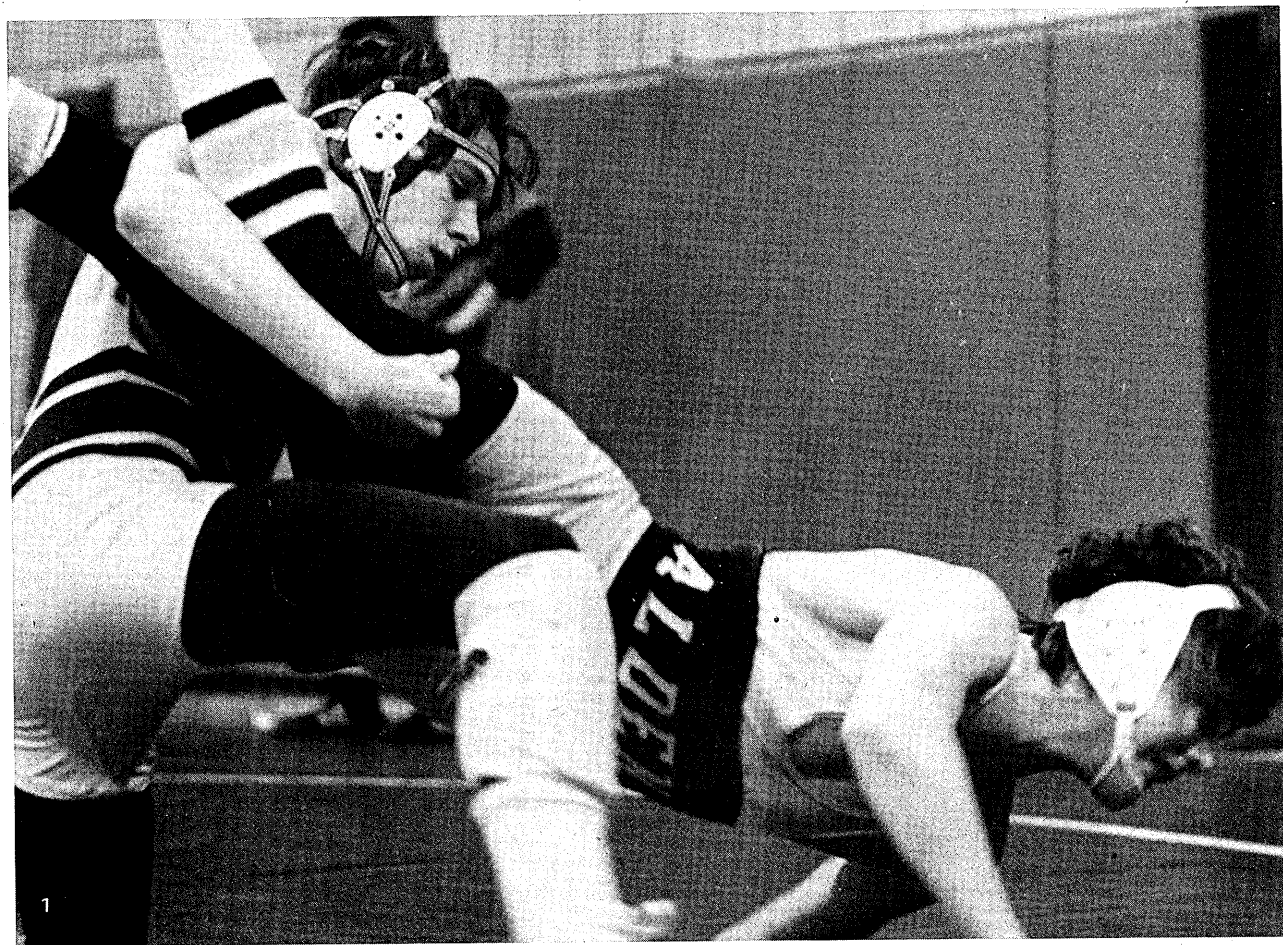

The sport, although it is one of the oldest in the world, is thriving at LHS. The team, improving every year, finished 15-3--the best record ever in Eagle wrestling.

In wrestling the real value lies not in what is obtained but in the struggle to attain. Satisfaction comes in having the energy and enthusiasm to put forth effort and hard work. These were present... and therefore the joy and thrill of achievement.

Steve Ohly

1. John Ohly does a little dance step while wrestling in the Regionals. 2. State meet wrestler Steve Ohly applies unrelenting pressure. 3. Crafty Mark Hanf moves in for the kill.
