RACONTEUR

The wrestler's season moved through a series of highs and lows, but concluded on a decisively successful note. In their final meet, the LHS matmen, in what was described as the team's best effort of the year, defeated Spring-Valley 37-20.

It was a satisfying though difficult wrestling season. The team, attaining 3rd place in the conference, possessed talent; yet there simply was not enough depth to power the matmen to more than a decent 7-8 dual-meet record.

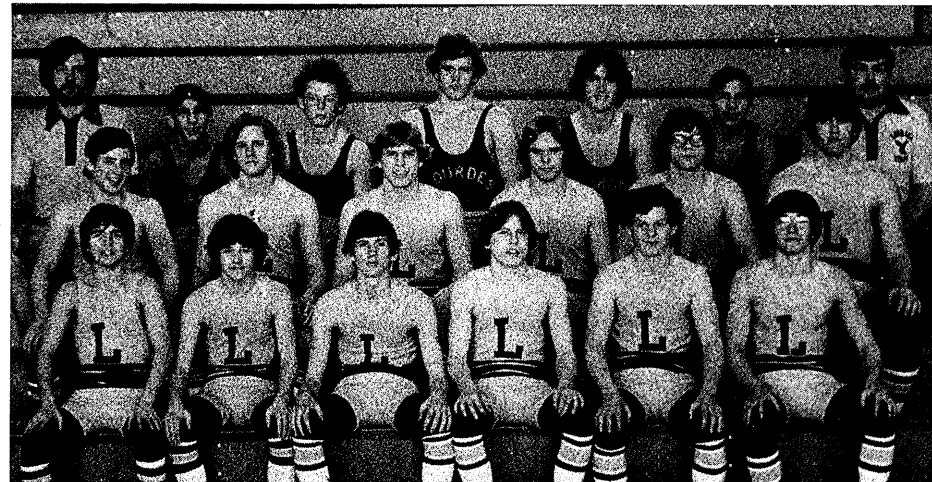

1. A much improved wrestler, Dave Frear prepares to take his opponent to the mat. 2. Mark Kolb puts all 98 pounds to work. 3. Marty Kuisle, a team leader and all around nice guy, illustrates the intensity of head to head competition. 4. Craig Freeman prepares to throw a reversal for two points. 5. Decisions! Decisions! John Ohly contemplates what to do next.
