RACONTEUR

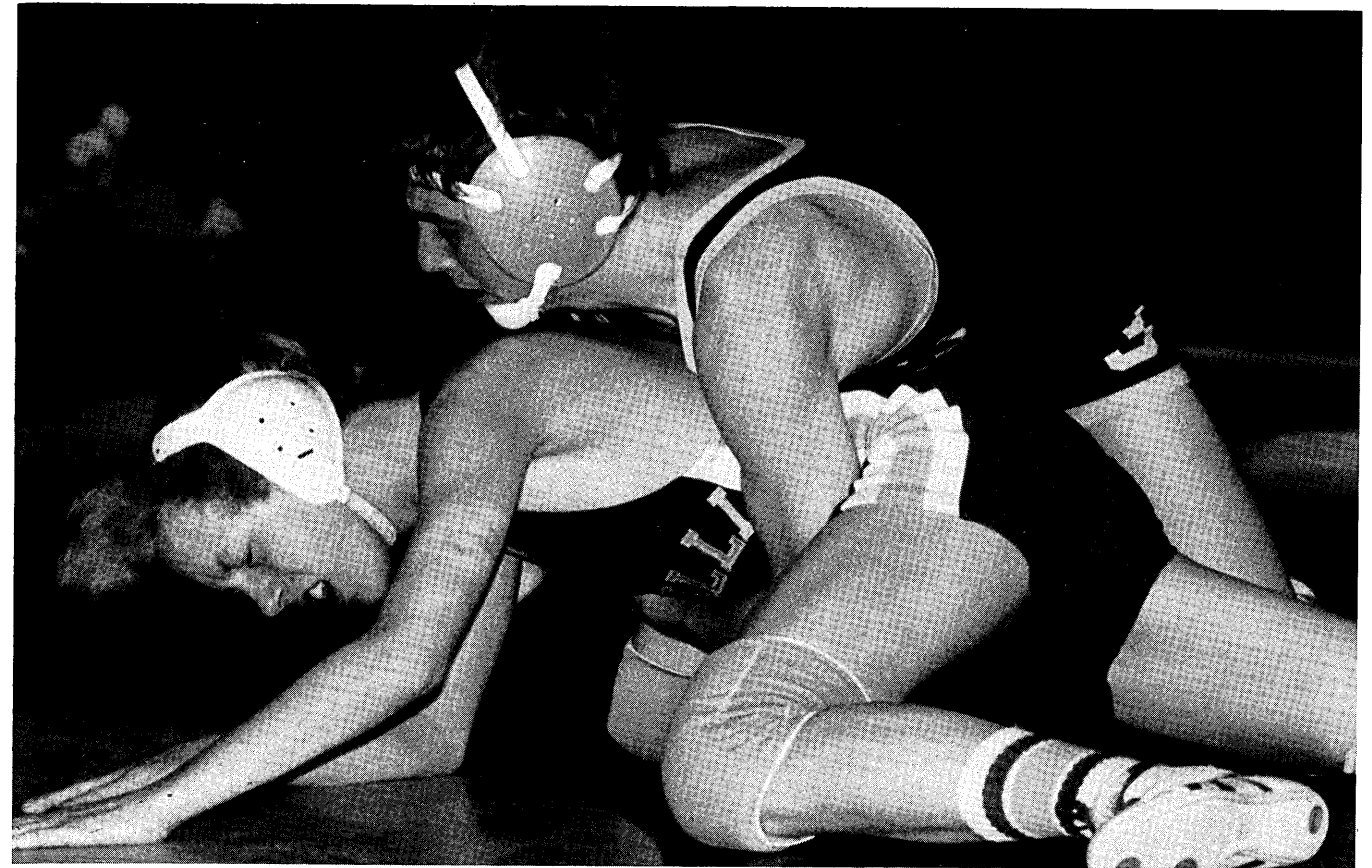

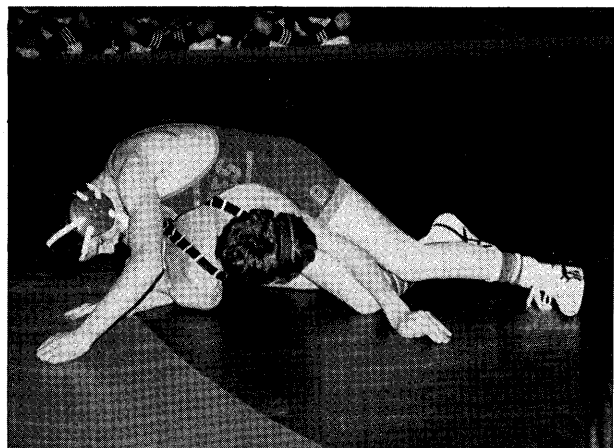

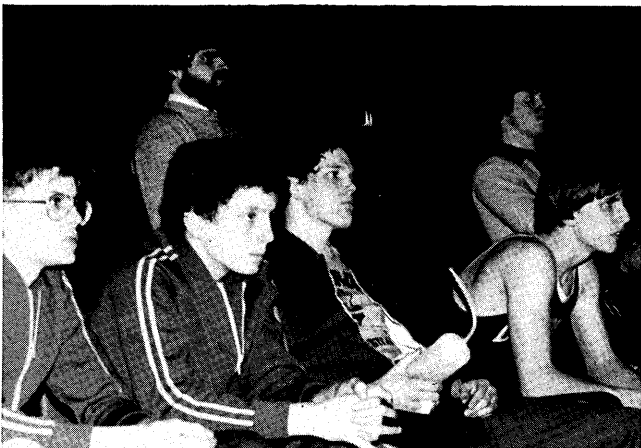

What A Difference Enthusiasm Makes!

We would like to thank those who made the season possible. Our season was one of enthusiasm, dedication, and sacrifice. We had a new coach this year, Scott Frear. He brought many new insights to the team. We wish him the best of luck in the future. The highlight of our year was our win over Austin Pacelli. We may not have amassed a perfect record, but we made many friends and had many enjoyable moments. When we started the year we didn't expect to win, but to compete.
