The wrestling team just keeps getting better year after year. This year the team had an impressive 4-9 record with such young contenders. Junior Brian Pusc states, "Everybody did well at Districts. Almost four or five made it to Regions." Two individuals did make it to the Regional Tournament (Brian Pusc and Jason Kranz). Kranz placed fourth and Pusc placed fifth. Their outstanding performances, as well as the rest of the team's, have rekindled interest in wrestling for many students here at LHS. The team will not be losing any seniors this year, so we all anxiously await the coming season and anticipate great things from the team.
