Will Schroeder (12) thunders off the mat after a fifth place victory at state.

Wrestling

This year's Rocket wrestling team proved to be excellent, according to Coac Mark Kuisle. Assistant coach two years ago, Kuisle was brought up this year to be head coach. This was not the only "first" for the wrestling team. It was definitely a sweet victory for the Rockets when they defeated Faribault for the first time in sixteen years! The boys finished with a .500 record in the regular season and in the Big Nine, also a first in a very long time. Region wise, the wrestlers ended in the top half, seated fifth out of thirteen for the first time ever!

Individually, JM went into the season with a lot of outstanding wrestlers. Frank Ohm (12) and Cory Brown (11) were fourth in regions, and Steve Oldenburg (12), fifth in regions. Dan Larsen (12), Will Schroeder (12), and Josh Friedt (9), all who placed second in regions, also competed in the State Tournament held in March. Schroeder and Larsen came in fifth. All three did a great job representing JM.

Dan Larsen concludes his wrestling career here at JM by stating, "We set new records and reached new heights which John Marshall wrestling hasn't reached in years. Rocket fire is alive and will burn for years to come."

Josh Friedt (9) puts all of his 103 pounds behind this take down.

Will Schroeder (12) grapples an opponent at regions.

Cory Brown (11) muscles an Austin wrestler to the mat.
