Above, Coach Philo demonstrates the correct hold to co-captains Ed Rundell and Steve Mickey. AT right, Lee Woolley expresses agony as state heavyweight champion, Stan Christ, pins him.

Although Rocket matmen encountered defeat during the conference season, the point-hungry boys finally met their long-deserved victory at the district tournament, at which Ed Rundell, next year's captain, chalked up the highest total of points. Other victory-seeking individuals, who saw the regional contest were Howard Penz, Steve Mickey, Lee Woolley, and Jerry Vroman. Ed Rundell was the only JMHS grappler participating in the state contest, where he tussled his way to victory in his first match, but was defeated in the semi-finals.

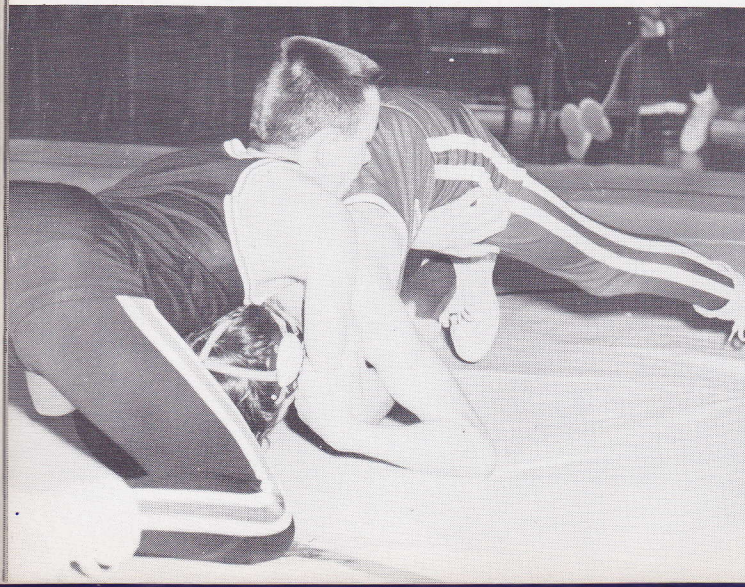

This was the first year of coaching at JMHS for John Philo.
